KINDNESS CHALLENGE for JANUARY

As a new year begins, take time to remember someone (living or deceased) whose life had an impact on you, then send a thank you note or thank them/their loved ones in person.

ATTENTION:

Starting Monday, January 13th, work in the Church's ground floor fellowship hall and surrounding areas will begin in preparation for the flooring project with Integrity Coatings. During this time, we ask that you refrain from entering any areas that are closed off due to potentially hazardous conditions. Preparation work will be active until Integrity Coatings begins installing the floor starting Monday, January 27th through the end of the month. During this week, the entire first floor will be tarped off to contain the dust and various pieces of construction equipment, and no access to any areas will be permitted. Another announcement will be made once the project is complete and it is safe to enter these areas. Thank you for your understanding and cooperation during the coming weeks.

God bless,

The Stewards Commission
